Dear Mr. Ziernicki:

In accordance with our conversation a few days ago, will you please investigate the availability of the building near Muirkirk, Maryland now being used as a records center by the Bureau of Internal Revenue, Treasury Department. Within the very near future we expect to have need for such a records center and we are extremely anxious to obtain a location within a reasonable distance from Washington.

Will you kindly advise me as soon as possible of the results of your investigation.

Very truly yours,
